Product Pricing Appendix
Details on Price Changes, Effective 01 January 2026

Please Note: This is applicable ONLY to clients without an active contract or MSA

As we approach the close of 2025, Cryoport Systems remains focused on supporting your critical supply chain needs with the highest standards of security and reliability.

Our priority has been to minimize the impact of these updates wherever possible. Along with updates to implement formal product names, here's what you can expect to change. For pricing specific to your program, please reach out to your Cryoport Systems representative to discuss your service level and potential impact (or contact our customer support team at cs@cryoport.com).

Please note that if you are currently under a contract or MSA, these changes do not apply, and your pricing continues to be governed by the contracted pricing structure and renewal dates.

Changes to Accessory Categories & Included Accessories

New and adjusted accessory categories will be implemented into 2026 pricing templates, improving clarity and consistency. Please note that there are changes to which accessories fall under each new and/or updated category, as well as the accessories that are included within the different pricing levels.

- **Premier Plus Pricing & Specialty Courier Levels**: Security & Tamper Evidence accessories are included with each order (when included at time of ordering)
- **Concierge Pricing Level**: Racks & Canisters, Labels, Security & Tamper Evidence, and Packaging accessories are included with each order (when included at time of ordering)
- **Safepak® Tyvek Bag with Absorbent Liner (ACC-9139) and Safepak® 900 Bag, formerly Safepak® XL (ACC-9140)** are no longer included accessories for either Premier Plus or Concierge pricing levels
- **Chemical Thermal Indicator (ACC-9126-120C)** is no longer an included accessory on the Concierge pricing level
