 Declared Value: Currency Code (On Declared Value)
 Secondary Container: If other, please specify
 Container Dimensions: Length Width Height Quantity

International Shipments:

Country of Origin: Harmonized Code (Schedule B No.)
 Reason for Shipment: If other, please specify:

Leg 2 Commodity Information:

- Exempt Human Specimen:** Specimen packages marked as “Exempt human specimen” according to the ICAO. Technical Instructions are not regulated under the Hazardous Materials Regulations (HMR; 49 CFR Parts 171-180). In the United States, the mark “Exempt Human Specimen” is an indication that there is no infectious substance in the package. Packages bearing these marks may be accepted by an air carrier that has made a business decision not to accept hazardous materials.
- Exempt Animal Specimen:** Specimen packages marked as “Exempt animal specimen” according to the ICAO. Technical Instructions are not regulated under the Hazardous Materials Regulations (HMR; 49 CFR Parts 171-180). In the United States, the mark “Exempt Animal Specimen” is an indication that there is no infectious substance in the package. Packages bearing these marks may be accepted by an air carrier that has made a business decision not to accept hazardous materials.
- Not Subject to Dangerous Good Regulations:** Substances which do not contain infectious substances or substances which are unlikely to cause disease in humans or animals and are not of human or animal origin.
- Genetically Modified Organism (GMO) (UN3245):** An organism whose genetic characteristics have been altered using the techniques of genetic engineering.
- Biological Substance, Category B (UN3373):** An infectious substance not in a form generally capable of causing permanent disability or life-threatening or fatal disease in otherwise healthy humans or animals when exposure to it occurs. This includes Category B infectious substances transported for diagnostic or investigational purposes.

NOTE: Cryoport Systems does NOT ship Category A commodities at this time.

Serialized Seal
ACC-9160
Serialized blue tamper-evident seal that helps identify if shipment has been compromised

Cable Zip Tie
ACC-10631
Serialized blue tamper-evident cable zip ties that helps identify if shipment has been compromised

Additional Information:

ATS™ - Use Restrictions

Customer shall only use the Advanced Therapy Shipper® (ATS™) product line to transport cell and gene therapies containing human clinical and/or commercial product.

Customer shall only use the ATS™ product line to transport the following commodities: (i) Protein (human), (ii) Plasma (Human), (iii) Cell (Human), (iv) Blood (Human), (v) DNA (Human), (vi) Tissue (Human), (vii) Subcellular Fractions (Human), (viii) Serum (Human), (ix) Saline (Human), and (x) Empty Shipper (Human).

Further, Customer shall only use the ATS™ product line to transport commodities that are within the following IATA classifications: (i) Biological Substance, Category B (UN3373), (ii) Exempt Human Specimen, (iii) Genetically Modified Organism or Micro-Organism, Non-Infectious (UN3245), or (iv) Not Subject to Dangerous Good Regulations.

Customer shall not use the ATS™ product line to transport any animal or other non-human commodities. Customer shall not use the ATS™ product line to transport any of the following human commodities: (i) Virus, (ii) Urine, (iii) Synovial Fluid, (iv) Biological Specimens, (v) Embryo, (vi) Semen, (vii) Oocyte, or (viii) Any other human reproductive medicine related commodities.

Customer shall immediately notify Cryoport if it violates the restrictions use contained in Section 1 of this Addendum.

If Customer violates the terms of the Advanced Therapy Shipper® - Use Restrictions, Customer shall pay Cryoport the applicable replacement fee to replace each shipper with respect to which such violation occurs.

The undersigned acknowledges the requirements for using the Advanced Therapy Shipper® product line described in the Advanced Therapy Shipper® - Use Restrictions section, above, and agrees to comply with such requirements in connection with the use of any Advanced Therapy Shipper® in addition to the Terms and Conditions set forth at www.cryoport.com/legal.
